RESTAURANTS

MANDALAY RESTAURANT

The scent of spices fills the air as you sit down to an unforgettable dinner. Our chef expertly weaves local produce into traditional Burmese and classic European dishes, creating a menu alive with colour. Why not try Myanmar smoked catfish or grilled sea prawns with pineapple puree? For the sweet toothed, a mango and passionfruit parfait could be the perfect finale.

BURMESE TIFFINS

Take your seat for an exquisite dinner in our spacious lounge, overlooking the flower-filled gardens beyond. While vibrant butterflies and birds dance outside, begin your feast with a glass of bubbles or delicate green tea. Next up, fragrant local curries, tender vegetables and sticky rice are served buffet-style over authentic charcoal burners. (Daily from October to March Dinner 18:30 - 22:30)

MINDON LOUNGE

This colonial-style lounge offers a soothing spot in which to relax for our art-themed Art'ernoon Tea while admiring paintings and other works created by local artists. In the evening, gather to savour single-malt whiskies, a variety of rums and humid-dor-stored Cuban cigars. The space is also ideal for cocktail receptions, private celebrations, meetings and weddings. (10:00 - 23:00)

KIPLING BAR

Named for the British author who penned such iconic verses as "Mandalay", this bar rekindles the atmosphere of Kipling's early 20th-century Burmese Days. Rife with nostalgia for colonial life in the tropics, it adds another layer of experience to your chosen beverage. Make sure to try an award-winning cocktail, such as "Picturesque Paddy", a rice-based vodka concoction created by our talented bartender. (Daily 07:00 - 23:00)
