VILLA MARGHERITA, AMALFI COAST

### EXPERIENCES

**HIDDEN TREASURES OF CETARA:** For foodies, a visit to the Amalfi Coast without trying spaghetti with colatura fish sauce is unthinkable. Produced in the tiny fishing village of Cetara, the rich, amber-coloured anchovy sauce is still crafted to time-honoured methods. To experience the dish in all its glory, take a boat and sail towards Cetara, discovering a charming village that is as much a feast for the eyes as for the taste buds.

**CHEF'S TABLE:** Join our Executive Chef Mimmo Di Raffaele for a spectacular gourmet experience. Meet him to design your personalised menu and follow him to his Chef's garden, where an intimate and elegantly laid table awaits. Enjoy a sumptuous dinner, then venture into the heart of Mimmo's kitchen to observe exquisite desserts being crafted.

**CERAMICIST FOR A DAY:** Immerse yourself in the colourful world of Vietri ceramics and try your hand at crafting your own vibrant piece. Begin with a brief introduction to the region's artistic tradition and a delicious food tasting before learning how to throw, mould and decorate the clay. At the end of the workshop, you'll have your creation shipped to you – along with other ceramic works of art of your choice if you wish.
