Luxury Is Having Options, Choose Your Indulgence

Beach Club Grill Restaurant (lunch - dinner)

Serving lunch and dinner in one of the best spots of the Resort, the Beach Club Grill is set on the main beach facing the lagoon. The uniqueness of the restaurant is to be found in both the lavish interior design, and the vast selection of fresh fish, seafood, meat, and vegetables cooked on the stone grill, to enrich the flavors of each dish. A pizza and Pasta station and the Beach Pool Bar are also available.

Le Asiatique (dinner)

Located inside the tropical forest, in the central area of the Resort, Le Asiatique is the perfect choice for those who wish to discover the tasty and delicious creations of our Asian Chefs! Guests can enjoy authentic flavors of the East, prepared in respect of the Oriental culinary traditions and recipes. The Teppanyaki grill is also available for live cooking shows.

Aqua Restaurant (The Mediterranean: breakfast - lunch - dinner)

The main Aqua Restaurant is set directly on the beach facing the clear blue ocean, and featuring indoor (air conditioned) and outdoor dining at its best, facilitated with the Main Bar.

In the main Aqua Restaurant all your culinary wishes come true: An indoor lavish buffet is available for breakfast, lunch and dinner and it includes several different cooking stations each with individual international cuisines to stimulate guests' palates: Mediterranean, Japanese, Italian, Chinese, Vegetarian corners and lots more to discover!

Amazónico Restaurant (dinner)

All the exquisite dishes are prepared in the open kitchen according to the Central and South America traditional recipes from Brazil to Mexico, Argentina, Peru, and Chile, using only fresh ingredients. Amazónico can serve anything from sweetbreads to quesadillas, to beef ribs and enchiladas; but it's the Brazilian beef served from the skewers that remain the star of the show. An oasis of intense flavors waiting to be discovered.
