

LECRANS

ALPINE HAVEN

Alpine Haven

Your exclusive 5-star mountain home open all year round.

Located 100 meters from the slopes at 1650 m of altitude, LeCrans is a ski-in, ski-out, and wellness destination with a Michelin-starred restaurant and breathtaking panoramic views, nestled within the lush Alpine forests of the exclusive mountain resort of Crans-Montana in Switzerland.

Just two hours drive from Geneva and three and a half from Zurich, guests at LeCrans discover an Alpine haven of exceptionally refined warmth, restorative tranquillity, and discerning care; the ultimate setting in which to relax and rebalance whilst encompassed by lush green surroundings, exhilarating scenery and fresh mountain air.

Each stay at LeCrans is intricately executed for a truly immersive experience. Our world-class spa and holistic wellness concept, Michelin-starred restaurant, fine wine cellar, and cigar lounge combine to make each visit a truly memorable adventure for the senses.

Dine at LeMontBlanc

Indulge in an unforgettable
gastronomic experience at
LeMontBlanc.

Awarded 17 Gault Millau points and a Michelin Star, LeMontBlanc boasts panoramic views of the Swiss Alps from every table in its bright rotunda. Enjoy a contemporary cuisine inspired by the Valais terroir with an innovative twist in an attentive and friendly setting. Fresh local produce and gastronomic theatre take center stage with perfect playful pairings from LeCellier which hosts a range of the best local and international wines.

In the heart of Chef Yannick Crepaux's kitchen, LaTable d'Hôtes offers an even more immersive gastronomic experience. For a more relaxed dining experience visit, the outdoor terrace also graced with sweeping views of the Alps.

Wellness

Nestled in an ancient pine forest, LeCrans offers the perfect secluded setting for a deeply transformative wellness retreat.

Grounded in nature, with an elevated altitude of 1,645m above sea level and refreshing oxygen-rich air, we use modern technology and innovation in fusion with traditional principles and methodologies from around the world for a holistic wellness experience like no other.

LeSpa consists of an indoor and outdoor heated pool with view on the Alps, a jacuzzi, a hammam, a sauna, 3 treatment rooms, and a fitness suite with a personal coach. A range of therapies and packages is offered:

Facials – including Fire & Ice, oxygen, Valmont products

Body treatments – including scrubs, wraps, massage, body sculpting

Signature treatments – including bakes,

Aesthetic treatments

Tailored wellness programs on request (Detox & Lift /Recovery & Energy Build / Rejuvenate & Replenish)

Experiences at LeCrans

Crans-Montana, a resort for all seasons, with its countless activities.

Crans-Montana is one of the sunniest regions in Switzerland and a popular destination for nature lovers who also enjoy luxury. The resort offers a wide range of activities for all seasons. Golf enthusiasts can play their favorite sport in front of a breathtaking panorama, while sports enthusiasts can take one of the many hiking, trail, or cycling routes with one of our guides. Paragliding will offer the most adventurous ones a dose of adrenaline while flying over the Alps. In the winter, guests can enjoy the peace and quiet of the crisp white mountains on snowshoes or go down the slopes directly from the hotel. When shopping in Crans-Montana, guests are spoiled for choice with some 120 shops and luxury boutiques. Exclusive shopping experiences can be organized. No matter what guests desire, our concierges will make sure they leave with long-lasting memories and stars in their eyes.
